The Car Show Charity for 2015 is **Families for a Cure**, a local 501c3 foundation which was founded in 2006. Monies raised by this foundation currently go to The Arthur G. James Cancer Hospital and to The American Cancer Society. The name was developed as most of their board members through the last few years, if not before, have all been affected by Cancer in some form. They realized this disease affects many people, and hence, many families. The name **Families for a Cure** came from this.

A portion of the proceeds will be donated to Families for a Cure.
