CLASSIC CAR SHOW COMES BACK ON JULY 4

Mark Thursday July 4th, on your calendar. The fourth Annual Columbus Square Classic Car Show is coming back. It is held in conjunction with the Northland Area Fourth of July Parade, and begins at 12 noon, when the parade finishes on July 4. The Northland parade has been one of the must-see holiday parades in central Ohio for 50 years. The car show benefits a charity every year, and this year it is the Lima Company Memorial.

At the Car Show there will be food vendors, places to eat, fun things for the kids to do and cars of all types. If you have a car that you would like to showcase or know someone that does, you can register in advance by going to our website:

The Hadler Companies have partnered again this year with the AutoSmarts Radio group to produce and operate this annual car show. The AutoSmarts team will be doing their radio show again live from the Columbus Square Bowling Palace on Saturday, June 22th. The show is on 610 WTVN locally.

The Hadler Companies will be putting "goodie" bags together to give away to attendees at the Car Show. We encourage you to donate coupons or promotional items with your business name on it and we will include it in the bag. We gave out over 100 bags last year. That is FREE advertising to a lot of potential customers! We will need your item(s) by Monday, June 24. If you can donate any items please contact Lisa Corbett at 614-545-6251 or email her at LCorbett@HadlerCompanies.com to let us know what you can include.

We're proud to announce that the first public showing in this region of THE EYES OF FREEDOM: LIMA COMPANY MEMORIAL traveling outdoor display will be at the Columbus Square Classic Car Show on July 4.

A portion of the proceeds will be donated to the Lima Company Memorial.

Register at the COLUMBUS SQUARE CAR SHOW to win this car at Colo's Classic Car Show in October 2013. It's a 1971 Cutlass Supreme Convertible 442 Tribute Car, 455 C.I. with Auto & A/C, new interior and top.

Property Management News

THE BANNERS ARE BACK!

Spring is here, and the on-site maintenance men braved the high winds to get all the local Northland neighborhood banners back up. The weather cooperated and the banners look terrific!

SPRING WEATHER

As the weather warms up, it's time to clean up around your store. Washing the front windows and hosing off the sidewalk is a good way to present your best appearance to your customers. A clean sidewalk makes a good impression, and also keeps the dirt out of your store.

Check the signs in your windows. Are they current, clean, neat and straight? "LESS" can be "more" when it comes to getting noticed for your front window signs.

Warm weather will soon mean AIR CONDITIONING. You should have your equipment checked by a reputable commercial heating and air conditioning company. Don't wait until the hot weather is here as these companies are then swamped with calls and a repair could be delayed.

FLOWERS

Towards the end of May, as soon as weather permits, you will notice over 500 flowering plants will be carefully planted around the shopping center. The Hadler

maintenance crew is handling the job.

The flowers are grown fresh locally, and are from the Cuthbert Greenhouse in Groveport Ohio.

BLOOD DRIVE

All Star Chiropractic & Wellness will be sponsoring a Red Cross Bloodmobile at Columbus Square on **Saturday, June 29**. Please contact Sarah at 614-891-1800 for exact

hours. The need is constant and your donation is important for maintaining a healthy and reliable blood supply. Please consider donating - one donation may help save 3 lives!
