Columbus Square Bowling Palace celebrates 25-year anniversary

George Hadler,
President, The Hadler Companies

On August 29, Columbus Square Bowling Palace celebrated a milestone with a well-attended 25th anniversary party featuring live entertainment, food and drink specials, and games and prizes provided by Columbus Alive which was on hand to kick off the party.

John Carlson, General Manager at the Palace for the past 14 years, said he was pleased with the turnout for the event and with the positive response from customers.

"We've heard a lot of positive comments about the enhancements we've made to the Palace in the past couple of years and our efforts to establish our facility as mainstream and a leader in bowling centers in Columbus and in the state of Ohio.

"We're proud of the long-term relationships we have established with our patrons over the years; many have been with us since we opened 25 years ago and we hope they remain our customers for the next 25 years."

The Palace was conceived and built as one of the finest bowling and recreational centers

in the world. Plush and expensive finishes include club-style padded furnishings, carpeted wall murals, plants, skylights, and features seldom seen in average bowling centers.

Featuring 64 lanes with automatic scoring, it is the largest bowling center in Central Ohio, and a consistent winner of awards for being the highest rated bowling center in the state.

Open 24 hours, the Palace is one of Columbus' most popular after-hours venues. Our security personnel and state of the art security features enable us to offer a safe, family-friendly environment for our valued customers. At the Palace, we are committed to being the best bowling center in town and to getting better at every opportunity.

Our team-style management emphasizes a quality experience for all of our customers. We continually reinvest in upgrading the center including a state of the art video and sound system with flat panel TVs and projection wide screens. Our music and bowling combo is a specialty!

We invite you to visit our recently remodeled building and the new Blue Sky Island Bar with covered patio and outdoor seating that is rapidly becoming one of Columbus' favorite watering holes - tropical drinks, a wide variety of food selections, and numerous big screen TVs provide a wonderful experience in a relaxed, upscale setting!

Our Palazzo snack bar has excellent pizza, subs, and grilled fare, with an emphasis on quick service and tasty food at reasonable prices.

Everyone loves bowling, and nobody does bowling parties better than the Palace! Our Power Rail bumper system allows children to compete with adults, making it a more enjoyable experience for everyone! And we host adult and corporate parties too, complete with food and beverage catering at affordable prices!

Located in the recently renovated Columbus Square Shopping center, the Palace is conveniently located within a 20 minute drive from most neighborhoods in northern Franklin county.

Northland Area Business Watch monthly meeting

Please plan to attend the Sept. 18 Northland Area Business Watch meeting www.naba161taskforce.org/bizwatch/ at 6 p.m., in the Jester Room of Columbus Square Bowling Palace www.palacelanes.com/. Call 614-890-3481 or 614-578-9787 for info.

Tips and reminders

It's September already and heating season is coming soon. You may want to get your equipment scheduled for a check up in preparation for the cold weather now just around the corner. Some adjustments and new filters could save you money on your energy costs.

The hot weather has really kept the maintenance men working extra hard keeping all the new trees and plants watered during this very hot summer. They continue to stay on top of the process of keeping the landscaping looking as it should. If you see an area that needs extra water or some attention please call property management at 614-457-6650.

Beat the cooler weather and get your store's windows washed now, before gets too cold. You may also want to hose down your front sidewalk and take a look at the rear dumpsters and unloading areas.

Deliveries should be taken through the rear of your space so as not to effect customer traffic flow and pedestrian safety.

We now think we have the abandoned car problem under control as we continue to tow these vehicles. If you see a car or

Local singer Mark Bringardner performs at the Blue Sky Island Bar.

vehicle that needs our attention, please tell a maintenance man or call Property Management at 614-457-6650.

Check your rear security lights. If they do not work, call Property management and we will get them back in operation.

Your exterior sign is your "silent salesman". It tells your customers about your business. It is the tenant's responsibility to keep exterior signs in good working order and turned on at night. Do not miss an opportunity for a customer to see your business—turn you signs on so they can find you. If you need some help with your sign controls, feel free to call Property Management at 614-457-6650 and we will try to assist you.
